

Message::Type_descriptor

```
graph LR; A[Message::Type_descriptor] --> B[Message_Type_descriptor]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Message::Type_descriptor'. The right box is white and contains the text 'Message_Type_descriptor'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
